Subject: Fine Payment Required for NOV #16150. Alton Coal Development, LLC, Coal Hollow Mine. Task ID #4864

Dear Mr. Nicholes:

A review of records of the Division of Oil, Gas and Mining shows that the fine in the amount of \$3,190 for the referenced violation NOV#16150 has not yet been paid. The final assessment was sent May 19, 2015 (copy enclosed). The timeframe to appeal either the fact of this violation or the amount of the assessed fine has lapsed, and the amount assessed is considered final.

Please remit the total payment by January 15, 2016. If you believe the Division records are in error and that you have paid this fine, please provide evidence of the payment, such as a copy of the cancelled check, before the due date.

Failure to pay the assessed fine may result in interest being charged at the rate established quarterly by the U.S. Department of the Treasury or referring the amount due to the Utah Attorney General for appropriate collection action.

If you have any questions, please feel free to call me at (801) 538-5325.

Sincerely,

Daron R. Haddock
